PROJECT DETAILS:

Reason for Undergrounding of Electric Service (check all that apply):

- Remodel/Addition
- Swimming Pool Installation
- Electrical Panel Upgrade/Relocation
- Other: _____

Underground trench occupants (if you would like to underground your other service wires, you will need to request, coordinate, and assume all costs for other agencies. Anaheim Public Utilities Department can provide you with contact information for your other service providers):

- Electric
 - Telephone
 - Cable TV
 - Other
- Provider: _____ Provider: _____

CHECKLIST:

- Contact other providers (telephone, cable) to determine feasibility and costs associated with undergrounding all lines.
- Obtain an itemized quotation from a contractor. Anaheim Public Utilities recommends obtaining at least 3 quotes from fully licensed and insured contractors for the trenching, conduit, and substructure work.
- Fill out this application. Before sending it out, make a copy for your records. Send or hand-deliver the original copy to the following address:

Anaheim Public Utilities
Electrical Engineering, Suite 701
Attn: Home Undergrounding Program
201 S. Anaheim Blvd.
Anaheim, CA 92805
or email to hug@anaheim.net

- Contact Anaheim Public Utilities Electrical Engineering at (714) 765-5156, to verify the incentive amount of the rebate and to set an appointment with an Electrical System Designer for field visit. After field visit, Electrical System Designer will provide a design plan that identifies all requirements for the installation of conduits and procedure for the undergrounding process
- Prior to back filling of trench, contact Anaheim Public Utilities Inspector (714) 765-6846, for inspection and release of underground facilities.

AGREEMENT CLAUSE:

I agree as follows: 1) To allow Anaheim to verify the installation. Verification includes an inspection of the installation. 2) That the incentive may be credited toward any delinquent (as currently defined by the Rates, Rules and regulations for the City of Anaheim) utility bill(s) for which the customer is responsible whether the account(s) is open or closed. 3) Incentives are subject to availability of funds. 4) Upon approval of inspection, the substructures shall be turned over to the City to operate and maintain. 5) To allow the City to access my property to operate and/or maintain the electrical system as required. 6) That the City of Anaheim may require proof of payment, in the form of a cancelled check or paid invoice, prior to releasing the incentive amount. 7) That the City of Anaheim may withhold payment of any incentive until satisfaction of any and all of the above listed conditions are met.
